PETITIONS OFFICE

Sir:

On November 27, 1995 applicant, VISX, Inc. ("VISX") filed an application for extension of Patent term under 35 U.S.C. 156. Applicant, through its undersigned agent, wishes to expressly withdraw said application. It is therefore requested that the application be withdrawn from consideration and that the expiration date of US Patent 4,718,418 remain the same as it would be had this application not been made. Thus the expiration date of the '418 patent will be 17 years from the date of the issuance of the patent i.e., January 12, 2005.

This express withdrawal is submitted under 37 CFR 1.770 prior to the date for response to the final determination on the application.

I hereby declare that all statements are made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application, any patent issuing thereon, or any patent to which this verified statement is directed.

Respectfully submitted,

Date: April 4, 1997
